

### Tooele Chemical Agent Disposal Facility Processing

(as of May 13, 2007)

Total number of mustard agent-filled ton containers	1209
Percentage of total mustard agent stockpile	17.39%

### DCD "Reuse Study" Findings

After a thorough analysis of safety, environmental and financial issues, the "reuse study" conducted at Deseret Chemical Depot (DCD) concluded that conventional ammunition demilitarization cannot be effectively and efficiently conducted at the Tooele Chemical Agent Disposal Facility (TOCDF). This study clears the way for Deseret's request to be placed on the Base Realignment and Closure (BRAC) list, which will enable DCD employees to receive BRAC benefits. A final decision is expected in the next three to six months.

### TOCDF Feed Rate Increase

The TOCDF recently received approval from the Utah Division of Solid and Hazardous Waste and Department of Air Quality for 100 percent feed rate for the Liquid Incinerator, which was demonstrated during the trial burn.

### Mustard Agent Detected in Storage Igloos at DCD

In separate routine monitoring operations in storage igloos at DCD, workers had identified a leaking mustard agent-filled bulk container and a 155mm projectile.

The earth covered storage structures were filtered and no vapor escaped into the environment. Tooele county officials were notified and there was no danger to surrounding communities.

### Upcoming Events

- **May 22, 6:00 p.m.** – Chemical Agent Munitions Disposal System Resource Conservation Recovery Act (RCRA) Class 2 Permit Modification public meeting. The meeting will be held at the Tooele Chemical Stockpile Outreach Office, 54 S. Main Street in Tooele.
- **May 29, 6:00 p.m.** – TOCDF RCRA Variance Request Hearing. The hearing will be held at the Tooele County Administration Building, South Auditorium, 47 S. Main Street in Tooele.
- **June 6, 6:00 p.m.** – The U.S. Chemical Materials Agency will hold a public poster session for the Draft Finding of No Significant Impact to its Environmental Assessment. The session will be held at the Tooele Chemical Stockpile Outreach Office, 54 S. Main.
- **June 14, 1:00 p.m.** – Utah Division of Solid and Hazardous Waste Control Board monthly meeting. The meeting will be held in Room 101 at the Department of Environmental Quality building, 162 N. 1950 W. in Salt Lake City.
- **June 20, 6:00 p.m.** – TOCDF RCRA Class 3 Permit Modification public meeting. The meeting will be held at the Tooele Chemical Stockpile Outreach Office 54 S. Main Street in Tooele.
- **July 10, 5:30 p.m.** – DCD Restoration and Advisory Board meeting to discuss environmental clean-up activities associated with the depot. The meeting will be held at the Tooele Chemical Stockpile Outreach Office, 54 S. Main Street in Tooele.

*The Tooele Chemical Stockpile Outreach Office will be closed on **May 28** for the observance of Memorial Day.*
